

2011 - 2012 Room Parent Sign-Up Sheet

Room parents are a vital resource for each class. Individual teachers decide the level of support that they will need for their classes. Room parenting can involve helping with holiday parties, helping with special events or projects, helping to provide supplies, and/or providing other support for the teacher.

Please consider volunteering at whatever level you are able. Primary Room Parents are responsible for coordinating efforts between the teacher and other room parents and are generally present for holiday parties and special events. Alternate Room Parents support the efforts of the Primaries and sometimes attend holiday parties and special events. Parents with less time for physical volunteering can volunteer to provide food/supplies for holiday parties and special events.
